ITALIAN COURSES

The International Relations Office strongly recommends Erasmus students to take the FREE Italian course the University Language Centre offers at the beginning of the Winter Semester. For more detailed information, please see the web site of the University Language Centre at:

<http://www.unifg.it/Servizi-agli-Studenti/Centro-Linguistico-di-Ateneo/1533/>

Please note that the official language of the University of Foggia is Italian.

ACCOMODATION

Students in Foggia normally live in shared self-catered flats. The University of Foggia has no dormitory rooms or halls of residence so we cannot guarantee accommodation to all incoming students.

The International Office helps students to contact other students and landlords on arrival so that they can settle down as soon as possible. Nevertheless, finding the right place to live could take a few days depending on needs and budgets.

Therefore, students are strongly recommended to make a reservation for at least two days at hotels to allow them some time before moving to a definitive settlement.

FURTHER INFORMATION

The University of Foggia has its **Erasmus Student Network** Section.

ESN is a non-for-profit international student organisation. Its mission is to represent international students, thus provide opportunities for cultural understanding and self development under the principle of **Students Helping Students**.

Its main aims are:

- To improve Erasmus students socialization
- To organize events with all Erasmus students
- To organize tours in our region
- To help students in finding accommodation during their stay in Foggia
- To support students in their academic life
